

## G.O.D.'s Strategy - Discipleship

Servant Ministries would like to share a new Personal Discipleship Strategy. "NEW" is in name only; this strategy is for both personal and

group discipleship. It can be put into practice and developed into a church-wide Discipleship Strategy to lead people into a growing relationship with Jesus Christ through Bible teaching, tools, and training. (*This would involve both personal and group training as well as our seminars and conferences*)

## July - August 2010 Ministry Update

### Aloha from the Foothills

Do you remember the old saying —  
“**Make hay while the sun shines?**”

The meaning is to do something while the situation or conditions are right.

Dr. David Jeremiah in his book “*Living with Confidence in a Chaotic World*” talks about “...*understanding the present time. The hour has come for you to wake up from your slumber...*” *Romans 13:11 (NIV)* In context, Paul was not referring to time in general but to the end-time and to the imminent return of the Lord Jesus.

Then Dr. Jeremiah says this: “*Throughout the Bible we are admonished to know the times and the seasons. In the Old Testament, a group was appointed for the specific purpose of discerning the times.*” “...*the sons of Issachar who had understanding of the times, to know what Israel ought to do*” (*1 Chronicles 12:32*).

Are we “...*understanding the present time?*”  
Are we awake? Are we “*making hay*” while the SON shines?

When the disciples asked Jesus “...*Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?*” *Matthew 24:3 (NKJV)*

Jesus answers their questions in verses four and following. Now if you read those verses and then read a current newspaper or watch the world and national news you will see all those things happening right before our eyes. We need to “**wake up**” - “**watch and pray**” and *do something while the situation or conditions are right.*—(*Make hay while the sun shines!*)

If we seem to be snoring through the fire alarm, it’s not the first time, there have been comments about the church in the past.

Vance Havner, in a book “*In Times Like These*” says: “*The devil has chloroformed the atmosphere of this age...we need to take down our ‘Do not disturb’ signs, snap out of our stupor, come out of our coma, and awake from our apathy.*”

A.W. Tozer, in a book “*Causes of a Dozing Church*” says: “*God’s alarm has been going off for years. Are we listening? Let’s wake up—you and me!*”

You might be asking, right now; “What should we be doing?” I am glad you asked!

While studying *James 1:22* the other day I came across a statement that basically said; “*we can not just read or listen to the Word, because that results in **Sitting, Soaking & Souring**—instead we need to **be doers of the word, and not hearers only!***”

Paraphrasing Paul, we need to present our bodies a living sacrifice, holy, acceptable to God, which is our reasonable worship. We have to stop conforming to this world and be transformed by the renewing of our minds. Then we need to get busy—serving in our churches with the spiritual gifts that He gave us! Be careful, we should not serve in the flesh—but allow the Holy Spirit to work through us as we serve! (*Romans 12:1-21*)

***“The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest.”*** *Luke 10:2 (NKJV)*

**SHARE THE VISION!  
SHARE THE PASSION!  
SHARE THE HARVEST!**

We invite you to partner and participate prayerfully and financially with **Servant Ministries, Inc.** in this end time Harvest of Souls!

## Interim Ministry

We have been asked to serve a local church in need of a part-time interim pastor. I have agreed to serve and look forward to the opportunity of preaching and teaching on Sunday mornings and Wednesday nights.

This part-time Interim Ministry is an extension of **Servant Ministries** and we will still be available to teach seminars and conferences. Please give us a call so we can schedule your Life-Changing Seminar this Fall or in 2011.

## Mission Outreach

The financial support for our return trip to **Guaruja, Brazil** did not come in. We will postpone this mission outreach until we receive the financial support. Lord willing, we hope to plan two overseas trips next year.

As God has provided for you personally, and/or your business, would you prayerfully consider helping provide the financial needs for this year and help us to continue serving HIM? As we plan local and overseas ministry by faith, we wait to receive the support!

This is a faith ministry. If you can help support God’s work through this ministry please do!

**God Bless You!**

**Thank you again so much for your continued prayers, support and interest in Servant Ministries, Inc.**
